

WHO HAS SEEN THE WIND?

Copyright, 1907, by A. S. BARNES & COMPANY

Call on different children to sing the first measure, the fifth measure.

Let different children sing measures of their own choosing, other children finding the measures as sung.

Now let the teacher sing any two measures, e.g., the first and last, the children finding and pointing to the same.

Call on different children to sing measures indicated by number by the teacher.

THE CHIMES

Hear the chimes! Hap - py times!

Christ - mas Day with snow is dawn - ing,

Sweet bells ring - ing in the morn - ing.

Hap - py times! hear the chimes,

Join with Christ - mas tunes and rhymes. . .

Call on different children to sing different measures of the song, as indicated by the teacher.

Let a part of the class count or clap while the rest sing the song.

Let different children sing the exercise on the page of the Primer opposite "The Chimes."
