These collections of the most notable lyrics in German, Italian and French have been prepared to meet the needs of our large and ever increasing class of earnest aspirants to true artistry. The songs are presented always with the original text in order that their full flavor and significance may be preserved, and because a poem which does not suffer by translation is a thing hardly conceivable.

Students and teachers as well, should remember that of these noble songs each is an earnest of like treasures which will reward any diligent seeker in the fields represented by the collections now offered for their use and guidance.
