Those Sturdy Sidebars Give Extra Protection, Traction and Wear

A N ordinary tire—its sides unprotected—is easy you park.
Seiberling All-Treads are heavily buttressed, extra-safeguarded against all sidewall assault—rubber-armored where the pillowy balloon tire needs armor most.

armored where the photosy scale of the most. As to added traction . . . well, that is just plus, for double full measure; and their rich, black, good looks improve the appearance of any ear. It is important to remember that Seiberling All-Treads cost no more than ordinary tires. Drop in first time you are passing and let us quote you on your size — o . Eservice Department is worth knowing about too.

"The Most Amazing Thing that Pontiac Six has ever done"

Combining New Elements of Style, Beauty and Performance

The New Series Pontiac Six is the last word in stylish design, with new and vividiy beautiful Fisher Bodies, finished in rich new harmonies of genuine Duco its imposing appearance enhanced by the new, higher, narrower radiator, the mas sive full-crown fenders and the newly designed headlamps.

Most amazing of all . . . these revolu-tionary refinements are offered at annar-ingly low prices . . a further evidence of the General Motors policy of using success as the stepping stone to further progress.

me in today . . . see this car who is the distinction of being the greating Pontiac Six has ever done.

New Refinements

Including LOVEJOY SHOCK ABSORBERS AND

FOURWHEEL BRAKES
