IN THE FORD PRICE

The 1938 De Luxe Ford V-8 includes all features shown here at no extra charge

THERE is a fundamental value that

you automatically get when you

buy any Ford car. It is the tradi-

tional Ford value, reflected in the

85 HP. V-type 8-cylinder engine,

the Centre-Poise riding comfort, the improved Easy-Action Safety

Brakes, and the Ford standards of

quality in design, materials and

But, in addition, the 1938 Ford

gives you other value. For your

convenience, we have illustrated

here the many features of the

De Luxe Ford for which no extra

charge is made. When you buy a

De Luxe car, you want these fea-

tures. That is why they are in-

cluded in the Ford delivered price.

construction.

Beauty, big size and economy are

regular equipment in both the new

De Luxe and Standard Ford V-8s.

The De Luxe gives you a choice

of eight large, roomy models. In

the closed sedan types, it has extra

body room and luggage space. The

De Luxe is actually the biggest and

roomiest Ford V-8 ever built. V-8

economy is as outstanding as the

Ford's big-car appearance and

comfort. Many owners report 22 to

27 miles on a gallon of gasoline ...

theyadd that thousands of miles of

trouble-free performance are gen-

erous ridence of the overall econ-

omy of the Ford V-8. See your

Ford deler for a demonstration.
