

price sterling exchange opened here 1-16 of a cent. But then fell back to 1-17, where it was 1 cent below yesterday's close. Dealers thought this indicated Wall street was paying more attention to official efforts to discourage inflation talk. The French franc also lost most of an early gain, and at 2-97 cents was up only 3-16 of a cent.

Local Markets

Fruit and vegetable quotations are supplied by G. R. Zakor, wholesale fruit, Carleton avenue, at C. P. R. tracks, west, and by Chapman's, Pitt street east.
