SAFETY SHIFT GEAR CONTROL

TUST check over what low-priced cars have to offer. You'll discover only one gives you SAFETY SHIFT Gear Control—Pontiac! Pontiac took the gear shift lever off the floor -put it on took the gear shift feet on the wheel. Now it's right at your finger tips—where it belongs. Settle behind the wheel and relax! The two other front seat passengers can relax. The two other front seat passengers can relax, too. Because the floor is completely clear. Thousands are saying—" SAFETY SHIFT is the greatest driving aid since the self starter!" Just take one ride—and you'll agree!
