HUPMOBILE QUALITY turns scales in favor of new Century Models

Nine out of ten sales of new Century Hupmobiles are made whe the bayer casts into the balance Hupmobile's known reputs-tion for quality manufactures and engineering. For 20 years, motorists have come to Hupmobile for just these qualities with all they imply in dependable, economical performance. Now, in the 1929 Century Six and Eight, they find these stand-ards rigidly enforced, plus a new brilliance of Fiyle and beauty, new power, speed and getsaway and the most modern advances. ards rigidly enforced, plus a new brilliance of fivel and beaut new power, speed and getsway and the most modern advance, in braking, setting and riding. We unge you to compare-point for point—the new Century models with any other can on the market. Include Hupmobile reputation, and your decision will unquestionably be in favor of the Century's greatest values in the six and eight-cylinder fields.
