IGNITION NEEDS FALL CHECK-UP

Simple Job Involved But Results Will Comfort Motoring Comfort

Winter brings the heaviest test for the car's electrical system, and to insure the maximum comfort of motoring it is essential that the system be in good condition.

Substantial Value

Owners of Graham-Paige Model 610, after driving many thousands of miles, are acclaiming its substantial value.

National 'Lab' is Help to Industry

ENGLISH AUTOMOBILE MANUFACTURE COMES BACK STRONG SINCE WAR DAYS; TESTS MADE FOR MAKERS BY LABORATORY

LONDON, Eng., Dec. 8.—The history of the British motor industry, in common with that of other car-producing countries, is one of combined and rapid progression.

Quick Recovery

At this vital juncture British car manufacturers will be glad to know that the industry is making a quick recovery.

Oil Filter May Require Attention

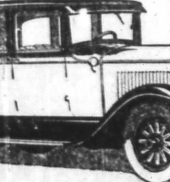

With the approach of winter the car owner should give his oil filter special attention.

Another important thing to remember when changing the oil is to have the oil filter serviced. It has been found that many oil filters are clogged with dirt and sludge.

Consolation Advice

Mr. Blair, if you are a motorist, you should know that your car is a valuable asset.
