CHEVROLET SYMBOL OF SAVINGS

THIS best Chevrolet in history—the outstanding one of 1930! Compare — and let your own eyes prove it.

Notice how impressively stilted the front view is, with that beautifully rounded new radiator grille. Stand to one side and see how those new fender lines are repeated in the hood, bumper—**and emphasize the feet, low streamlining of the roof.**

Glance inside and get a new idea of luxury and comfort. Wider seats? Wider doors! Attractive upholstery! Extra lights of most modern rear seat passenger! Floor-unobstructed floors! Fisher No-Drift Ventilation!

Slam the doors, and hear the cool, satisfying “thud” that tells its own story of all-aluminum, All-Steel Body construction—in safe, so smooth, so free from vibration. “Vibration-free” driving!

Check on all the exclusive features Chevrolet has taken from Valve-in-Head Engine and perfected Hydraulic Brakes to *Knee-Action and new Tiptoe-Metal Clutch. Learn what owners think. “It gives as good as it gets.” “I add a drop of oil” in the valves at gas.” “I never need an oil change.” “Lowest upkeep costs in motoring!”

Actually see the new Chevrolet for yourself, drive it and compare features—and you’ll not only agree it’s the best Chevrolet in history... you’ll never want another car. *For more money for your money!*
