

all parks was 7,900 children, and 310 at the swimming pools.

Mr. Paisley hopes to open, sometime in the summer, two new playgrounds. One would be on Labadie road between Metcalfe and Franklin streets.

#### MANY REQUESTS

The other would be between Campbell and Partington avenues north of Tecumseh road from where there have been many requests for a playground. In that area homes have been given to families only if there are more than two children, so the average number of children per home is larger than in any other section of the city.

It is the hope of the recreation committee that service clubs will undertake to equip the two new areas as community projects as the Kinsmen Club has done in the Chatham street area.

The collegiate pools will be open five days a week until August 13. Classes will be held for both beginners and advanced swimmers. Special times will be assigned for high school children if there is a demand for classes.

At Kennedy and Patterson pools swim periods for girls will be from 9 to 11 a.m., boys from 1 to 3 p.m. At Walkerville and Sandwich, boys will swim from 9 to 11 a.m., and girls from 1 to 3 p.m.
